Title: **AM-124-4 to B-R3: Resolution for Peace and Justice in the Middle East**

Tabled by: Green Party of England and Wales

Draft text

Insert after line 124:

- **Recognise Israel's occupation of the Occupied Palestinian Territories as unlawful, under the ICJ's July 2024 advisory opinion, and in line** UN experts' analyses**.**
- **Recognise Israel's treatment of Palestinians in the Occupied Palestinian Territories as apartheid, which violates its international obligations under** Article 3 of the International Convention on the Elimination of All Forms of Racial Discrimination**;**
- **Accept the findings of the** 2017 report by the UN Economic and Social Commission for Western Asia (ESCWA)**, the** 2022 report by Special Rapporteur Balakrishnan Rajagopal**, the** 2024 resolution by the UN Human Rights Council**, and the** July 2024 ICJ advisory opinion **stating that Israel's laws, policies, and practices violate the international prohibition of apartheid by:**
  - **Systematically segregating Jewish Israelis from Palestinians through** [illegible]
  - **Subjecting Palestinians to military law in the same territory;**
  - **Restricting Palestinians' movement, residency, and access to resources such as water, land, and health services by the establishment of physical barriers, such as the separation wall,** [illegible]
  - **Establishing separate roads, schools, and infrastructure for Israeli settlers and Palestinians, preventing equal access to essential services.**
- **Hold individuals and entities accountable for their international obligations**

to prevent and punish acts of apartheid in Israel, the Occupied Territories, and beyond.

- **Recognise that Israel's warfare methods in Gaza are consistent with deliberate violence against Palestinians—including the systematic targeting of civilians, demolition of homes and infrastructure, dispossession of land, deprivation of essential resources like food, water, and medical care, and destruction of cultural heritage—aims to bring about the physical destruction of the Palestinian population in the Occupied Palestinian Territories, and constitutes a genocide, as defined by** Article II of the UN Genocide Convention**, in violation of Israel's obligation erga omnes, which it owes to the international community as a whole, and as highlighted most recently by the highlighted by the the United Nations Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories**
- **Support** South Africa's case against Israel **before the ICJ;**
- **Take all measures available to it to ensure accountability for the genocide of Palestinians.**
