by the European Greens

Title:	**AM-16-1 to Res 1. : EUROPE IS NOT FOR SALE – For a sovereign, just and democratic Europe**
Tabled by:	Bündnis90/Die Grünen

Demands

From line 16 to 17:

~~We fight for an independent, democratic and sustainable Europe that puts people and planet before profit.~~

Europe is under pressure from outside and from within: Russia's war, economic coercion from China and the US, and a far right that sells out our independence. Only a Europe that is economically strong, energy independent and democratic can protect its people.

Explanation / Comment

The section promises a vision but opens directly with a slogan. The amendment names the concrete threats like Russia's war, economic coercion from China and the US, and the far right and links sovereignty to economic strength, energy independence and democracy.
