Title:	**AM-22-2 to Res 1. : EUROPE IS NOT FOR SALE – For a sovereign, just and democratic Europe**
Tabled by:	Bündnis90/Die Grünen

Demands

Insert from line 21 to 22:

jobs. Europe must meet the Paris Agreement, protect and restore biodiversity, guarantee clean air and water, and recognise the rights of nature. We oppose the rollback of the European Green Deal, from the gutting of supply chain due diligence to the repeated delays of the deforestation law. The phase-out of new combustion engine cars by 2035 must not be watered down.

Explanation / Comment

The Green Deal is being dismantled piece by piece through omnibus packages and postponements. The resolution should name this concretely instead of defending climate policy only in general terms.
