by the European Greens

Title: **AM-54-1 to Res 1. : EUROPE IS NOT FOR SALE – For a sovereign, just and democratic Europe**

Tabled by: Bündnis90/Die Grünen

Demands

Insert after line 54:

We are fighting for a humane Europe.
Europe's promise of solidarity must also apply at its borders. We demand an end to pushbacks and violence at the EU's external borders, independent monitoring of fundamental rights and a European civilian search-and-rescue mission. The new Common European Asylum System must be implemented in full respect of fundamental rights and must not serve as an excuse for further national restrictions. We reject the outsourcing of asylum procedures and so-called return hubs in third countries. Everyone must have access to a fair asylum procedure in the EU.

Explanation / Comment

The resolution states that Europe’s values are not for sale but is silent on asylum and borders, where these values are under the greatest pressure. Without this section, the text leaves a central field to the far right.
