31st Council
10-13 June 2020
Online
by the European Greens

Title:	**AM-12-1 to Res 5.: Green Data Centres for Europe: Climate-Safe and Sovereign**
Tabled by:	Groen

Insert from line 11 to 12:

protection and democratic oversight must be core principles. Executed correctly, Europe's digital infrastructure can become a competitive advantage.

Europe must also ask who uses this capacity and for what. It should first serve the uses that bring
the most value to European society: public services, health, science and the climate transition.
