

Title: **AM-14-1 to B-R8: Keep the wolf strictly protected!
And make all member states respect its protection!**

Tabled by: Zieloni

Draft text

Delete from line 14 to 17:

~~Therefore, we want the Commission to cancel any plan for weakening the protection status of the wolf. And if the Commission puts forward proposals for such weakening, the Parliament and the Council of Ministers should reject such proposals.~~
