~~But the dangers of Conservative and far-right cooperation are growing. Part of the European People's Party is already working hand in hand with the far right to roll back green and social legislation, gambling with human rights and endangering self-determination. They will enable impunity for authoritarians like Viktor Orbán, normalize Giorgia Meloni's post-fascist government, and harden inhuman and failed migration policies. It is the same dangerous path that has brought the far right to power in several member states.~~
