

Title: **AM-43-2 to B-R1: More than Ever: Let's Make Our Future Green**

Tabled by: Les Écologistes - Europe Ecologie Les Verts

Draft text

From line 42 to 45:

As Greens, our role in this mandate is to hold the political forces leading the European institutions to account and fight back against the right-wing drift. ~~By taking responsibility in the election of the Commission president, we have shown ourselves ready to build bridges and compromise to realise our positive agenda.~~ We challenged Ursula Von Der Leyen to do so by leading a coalition which would refuse to embrace the far right ideology and discourses or to empower its representatives.
