

Title:AM-15-1 to B-R7: Nature Restoration Law vs. EUplan for critical raw materials - challenges toprotect nature and food sovereignty

Tabled by:

EGP Committee

Draft text

From line 15 to 17:

On 17 June 2024, nature protection was the subject of a-very important resolution<u>legislation</u> approved by the EU national environment ministers. The Nature Restoration Law (NRL) will contribute to the definition of binding goals for
