

Title: **AM-43-1 to B-R7: Nature Restoration Law vs. EU plan for critical raw materials - challenges to protect nature and food sovereignty**

Tabled by: EGP Committee

Draft text

From line 42 to 45:

cases, governments have not gone any further with the projects thanks to strong popular demonstrations and the persistence of civic movements and ~~parties, including Partido Ecologista “Os Verdes” in Portugal~~ the green movement, which have put these concerns on the political agenda.
