

Title: **AM-86-1 to B-R7: Nature Restoration Law vs. EU plan for critical raw materials - challenges to protect nature and food sovereignty**

Tabled by: Možemo! – politička platforma

Draft text

Insert after line 86:

- immediately end arbitrary detentions, physical violence, and unlawful treatment of people in Serbia who are challenging lithium exploration project

Explanation / Comment

We want to explicitly call for an end of repression against Serbian citizens and activists.
