

Title: **AM-80-1 to B-R7: Nature Restoration Law vs. EU plan for critical raw materials - challenges to protect nature and food sovereignty**

Tabled by: Federation of Young European Greens

Draft text

Insert from line 79 to 80:

companies from a thorough assessment of the environmental and socio-economic impacts in extractive areas. We additionally condemn the EU for disregarding the desires of the citizens of sovereign nations outside of its borders. This showcases a worrying willingness to work with oppressive governments for its own goals. Especially in this period of transition, we cannot support governments which have disregarded the ecological aspects of development previously.
