5	AM-10-2	Vihreät - De Gröna	must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. The humanitarian situation has continued to worsen with catastrophic consequences. Meanwhile,	Insert from line 9 to 11: must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. In November, the ICC issued warrants of arrest for prime minister Benjamin Netanyahu and former minister of defence Yoav Gallant for crimes against humanity and war crimes. The humanitarian situation has continued to worsen with catastrophic consequences. Meanwhile,	Proposal AMC: Since then, our concern has increased in the light of the ultranationalist far-right Israeli government's flagrant disregard of the ICJ's ruling that Israel must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. The Israeli government's escalation in the use of force since their initial response to terrorist attacks in October 2023 has led to a humanitarian situation that has continued to worsen with catastrophic consequences, due to Israeli indiscriminate attacks on civilians and aid workers and the use of starvation, deprivation of water and fuel as weapons. All these practices, alongside with the enforcement of the siege of Gaza, the use of collective punishment, the obstruction of humanitarian aid, the occupation of Palestinian territories and the apartheid system in place in the West Bank and in East Jerusalem, are highlighted by the United Nations Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other	Possible VOTE, shorter compromise wording to be developed by Bündnis90/Die Grünen and considered against AMC proposal

6	AM-10-9	Bündnis 90 / Die Grünen	must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. The humanitarian situation has continued to worsen with catastrophic consequences. Meanwhile, Hamas has continued violence and to hold hostages, who must be released immediately and unconditionally.	From line 9 to 13: must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. The Israeli government's kind of warfare as a reaction to the country's self-defence against the terrorist Hamas attacks has led to a humanitarian situation that has continued to worsen with catastrophic consequences. Meanwhile, Islamist terrorist organization Hamas has continued violence and to hold hostages still since the massacre against Israeli civilians of October, 7th holds hostages under horrific circumstances, who must be released immediately and unconditionally.	Arabs of the Occupied Territories in its last report. The Special Committee also stated that the policies and practices of Israel are consistent with the characteristics of genocide. Meanwhile Hamas, recognised by the EU as a terrorist organisation since 2001 , has continued violence still since the massacre against Israeli civilians of October, 7th holds hostages under horrific circumstances, who must be released immediately and unconditionally. Over the past year, the escalation has spread across the region due to the military attacks of Israel in Lebanon, Iran and Syria, which also resulted in the killing of innocent civilians. However, under no circumstances can Israel target civilians and conduct military operations in the territory of sovereign countries. These actions must stop immediately. The Israeli government must immediately cease military strikes, ground operations, and indiscriminate acts against civilians, UN staff and peacekeepers, medical workers and journalists. These attacks as well as those of Hamas, are not aligned with international law. Hezbollah and other militant groups which must enact an immediate cessation of missile and drone strikes and indiscriminate acts against civilians. The escalation on the Israeli-Lebanese border must cease so that the huge numbers of internally displaced people on both sides can return home. We condemn Iran's attacks in April and October 2024 against Israel as well as Iran's proxy policy in the region. Proposal for compromise wording (Bundnis 90 / Die Gruenen) Since then, our concern has increased in the light of the ultranationalist far-right Israeli government's flagrant disregard of the ICJ's ruling that Israel must halt its military operations in Rafah and Gaza on the grounds that such actions could lead to conditions conducive to genocide. The Israeli government's use of force since their initial response in self-defense to the horrific terrorist attacks committed by Hamas in October 2023 has led to a humanitarian situation that has continued to worsen with catastrophic consequences, especially for civilians leading to starvation, deprivation of water and fuel. Israel has to act according to the Advisory Opinion of the ICJ of 2024 Meanwhile Hamas, recognised by the EU as a terrorist organisation since 2001, has continued violence still since the massacre against	See AM 5
