Tabled by: Green Party of England and Wales

Draft text

From line 50 to 52:

- ~~Negotiate a just solution for Palestinian refugees; right to return, while respecting the right to self-determination, with appropriate compensation for those who do not return~~
- ; Facilitate the fulfilment of Palestinians' right of return, while respecting their right to self-determination

Explanation / Comment

Palestinians' have a right of return recognised under international and by the UN. We have taken out the requirement to compensate because this is a specific ask that should be under the section of demands for the Israeli government.
