

Title: **AM-40-1 to B-R5: The EGP opposes the EU-Mercosur Agreement**

Tabled by: Les Écologistes - Europe Ecologie Les Verts

Draft text

Insert from line 39 to 41:

that do not comply with higher EU sanitary and phytosanitary standards and use toxic chemicals (fungicides, herbicides, insecticides) banned in the EU. The recent finding from an EU audit on Brazil beef and the presence of hormones also raises concerns on the potential health impacts for consumers of the FTA. Like farmers' organisations, we consider that the proposal floated by the Commission
