

Title: **AM-40-1 to B-R5: The EGP opposes the EU-Mercosur Agreement**

Tabled by: Les Écologistes - Europe Ecologie Les Verts

Draft text

Insert from line 39 to 41:

that do not comply with higher EU sanitary and phytosanitary standards and use toxic chemicals (fungicides, herbicides, insecticides) banned in the EU. [The recent finding from an EU audit on Brazil beef and the presence of hormones also raises concerns on the potential health impacts for consumers of the FTA.](#) Like [farmers' organisations](#), we consider that the proposal floated by the Commission
