

Title: **AM-120-1 to B-R6: Transitioning to sustainable and resilient farming systems in Europe**

Tabled by: GroenLinks

Draft text

Insert from line 119 to 121:

Subsidies provided in the CAP, for instance, must be consistent with the legislation and objectives concerning nature restoration, water resilience, [climate mitigation](#), [circulair economy](#), climate change adaptation, soil health, pesticides and unfair trading practices.

Explanation / Comment

Two very important transition goals
