

Title: AM-123-3 to B-R4: “United in diversity”, but for real this time

Tabled by: Bündnis90/Die Grünen

Draft text

From line 123 to 129:

- ~~Condemn the acts and enabling of corporate media in perpetuating and encouraging racial and sexual abuse against racialised and ethnic-minoritised communities~~ through the dehumanisation and demonisation of such minoritised communities and individuals therefrom. We advocate for the establishment of European-wide obligations and standards on media companies regarding non-discriminatory, equitable, and correct representations of ~~minoritised communities.~~ media corporations that contribute to perpetuating and encouraging racial and sexual abuse against racialised and ethnic-minoritised communities particularly through the dehumanisation and demonisation of such minoritised communities and individuals therefrom.
