

Title: AM-52-1 to R4: European Digital Democracy:

Sovereignty, Rights and Online Safety

Tabled by: miljöpartiet de gröna

Insert from line 51 to 53:

Training large AI models and expanding cloud infrastructures will further increase emissions unless strict <u>energy efficiency</u> standards are enforced <u>and task specific models</u> <u>are encouraged over general models</u>. A sovereign digital transition must also be a sustainable one, aligned with the Green Deal and the
