

Title: **AM-40-1 to R4: European Digital Democracy:
Sovereignty, Rights and Online Safety**

Tabled by: Bündnis90/Die Grünen

Delete from line 40 to 44:

~~Investigations have also revealed how Meta and Google secretly partnered to target teenagers (13-17 years old) with ads promoting Instagram on YouTube, bypassing EU restrictions on advertising to minors. Meanwhile, studies show that 73% of European Facebook users are classified under sensitive categories such as health, religion, or sexual orientation for ad targeting.~~

Explanation / Comment

This deletion is related to AM-22-1.
