

Title: **AM-41-1 to R6: European Greens Demand Urgent
Action to Protect Civilians in Sudan**

Tabled by: Ecolo

Resolution text

Insert from line 40 to 41:

- attacks, sieges, starvation tactics, and sexual violence, as a necessary precondition for any humanitarian intervention and political dialogue

Recall that, under the Genocide Convention and international customary law, all States have an obligation to prevent and punish genocide wherever there is a serious risk of its commission
