

Title: **AM-33-1 to R1: Freedom to Live Better: Building a Green and Social Europe**

Tabled by: PROGRESİVIE

Insert from line 32 to 33:

freedom from distorted elections and hybrid threats. Most simply, it means the freedom to live in a community where everyone looks out for each other.

Europe's freedom and safety also depend on strong transatlantic cooperation. A free EU must deepen its collaboration with NATO, the United Kingdom and regional defence formats such as JEF to strengthen collective and human security. At the same time, Europe must build its own preparedness by developing a resilient defence industry and secure supply chains capable of withstanding long-term threats.
