

Title: AM-7-3 to R2: Green solutions for more crisis-prepared, resilient and safer societies

Tabled by: Bündnis90/Die Grünen

From line 7 to 9:

As the changing geo-economic and geopolitical landscape ~~impacts~~ challenges Europe's ability to ~~stand up for~~ defend its values, fundamental rights and freedoms. [Space] Green solutions that are ecologically, socially, and economically sustainable are needed to improve our societies' resilience and
