

**Title:** **AM-31-1 to R5: No more victims: stop femicide in Europe**

**Tabled by:** Federation of Young European Greens

**Insert from line 30 to 31:**

to measuring femicide, which therefore risks becoming invisible in general homicide data. **The definition must reflect the diversity of victims and recognise killings motivated by gender identity, sexuality, or gender expression as part of the same phenomenon.**

#### **Explanation / Comment**

Including gender identity, sexuality, and gender expression ensures that the definition of femicide captures *all* gender-motivated killings, improves data accuracy, reflects real patterns of violence, and protects those most at risk.
