10 Parties and Foundations in the European Parliament on 21 October 2025, which will have to be
11 reflected in the Statutes and Rule Book of EGP by the end of 2026,

12 The EGP Committee proposes that:

13 - a Working Group to review the Statutes and Rule Book will be convened in early 2026,

14 towards

17 Following the adoption of this proposal, the EGP Committee calls for all full member parties to nominate their
18 representative to the WG, who should be knowledgeable on statutory matters and be able to allocate sufficient
19 time to follow the work of the working group, by **14 January 2026**. GGEP and FYEG can also nominate a
20 representative to the Working Group.

21 The mandate of the Working Group will focus on the specified scope of:

22 1) The rules and timelines for resolutions and amendments – based on the evaluation of the trial
23 period,

24 2) The election procedure of EGP bodies and representatives,

25 3) The transposition of the reform of regulation 1141 on the statute and funding of European political
26 parties and European political foundations into the EGP Statutes and Rule Book (including
27 regarding membership of non-EU parties).

28 These areas will be the primary focus of the WG mandate. The working group can address related issues and
29 propose broader adjustments on the three areas identified, as deemed appropriate in the course of its work.
