

Title: **AM-55-1 to R3: Shifting Europe's Transport
Infrastructure Towards Sustainability and Justice:
The European Rail Network at the Centre**

Tabled by: SF - Green Left

Demands

Insert in line 55:

– Affordable train prices that make rail competitive with cars and planes

- Many more cities and townships should become cycling friendly, and public transportation should be made available as a competitive transportation means for many more citizens.

Explanation / Comment

Urban transportation missing
