

Title: **AM-70-1 to R3: Shifting Europe's Transport Infrastructure Towards Sustainability and Justice: The European Rail Network at the Centre**

Tabled by: Die Grünen - Die Grüne Alternative

Demands

Insert from line 69 to 70:

following the model of a single-ticket system currently used in European countries like the "Klimaticket" in Austria.

Explanation / Comment

Owners of a Klimaticket get access to all types of public transport all across Austria, at a highly attractive flatrate price. In consequence, the number of users of public transport have been increasing substantially.
