

Title: **AM-13-3 to R3: Shifting Europe's Transport Infrastructure Towards Sustainability and Justice: The European Rail Network at the Centre**

Tabled by: Ecolo

Delete from line 12 to 15:

Meanwhile, airports and roads keep expanding. Projects such as the expansion of Barcelona and Heathrow airports, the port of Valencia, and new motorways ~~in Belgium~~ contradict the European Green Deal, the Biodiversity Strategy, and the EU's climate commitments. Europe's infrastructure model still depends

Explanation / Comment

As a part of Belgium's Green family, we are not aware of any megaproject including motorways that are comparable to the port or airports extensions mentioned in the tabled text. We want to make sure that every mention is factually correct and pertinent, hence we are removing any country naming as we support the resolution initiative.
