

Title: **AM-30-1 to R3: Shifting Europe's Transport
Infrastructure Towards Sustainability and Justice:
The European Rail Network at the Centre**

Tabled by: Esquerria Verda

Insert after line 30:

Tourism monocrop driven by cheap flights, the use of housing infrastructure for vacation rental, labor exploitation, and the organisation of macro-events with little real economic impact on local communities is nowadays an economic pillar especially, but not only, in Southern European countries, which exacerbates inequalities and increases the environmental footprint and resources consumption.
