

Dear EGP family,

Hereby I would like to indicate my interest in a new term as member of the Finance Advisory Board that assists the Treasurer in all financial matters and supervises the financial management of the European Green Party.

It is an honorable (and fun!) role that I have executed with enthusiasm over the past years. Because of the knowledge of the role and responsibilities that come with it, I enthusiastically reaffirm my candidacy for a new term.

The function is closely linked to my background and knowledge. For instance, my current role focusing on financial matters at the World Bank and my previous experiences at the Netherlands Ministry of Finance focusing on international financial institutions and at the Dutch Ministry of Infrastructure as a controller and coordinator of the annual budget.

My international experience at the World Bank and in previous international roles makes me able to connect easily and work well with people from all sorts of backgrounds.

I hope I can continue being a member of Finance Advisory Board as I look forward to contributing to European Green Party.

Many thanks for considering my application.

Kind regards,

Nadia van Huisstede
