Title:	**AM-11-2 to Res 2.: A budget for a sovereign Europe**
Tabled by:	Groen

Insert from line 10 to 12:

reducing reliance on Member State contributions. The introduction of new own resources and fair taxation of big tech companies and kerosine will make the EU budget more sustainable. This is necessary not only to cover the investments made under the

Explanation / Comment

This is an income source that equally benefits the planet and avoids a race to the bottom between member states.
