Title:	**AM-24-1 to Res 2.: A budget for a sovereign Europe**
Tabled by:	Bündnis90/Die Grünen

From line 24 to 28:

National and Regional Partnership Plans (NRPPs) must invest in regions and in particular in rural areas, ensuring Europe's visibility at the local level. Cohesion Policy and the European Social Fund+ (ESF+) require guaranteed allocations. NRPPs should enable a ~~just~~ green and just transition, ~~invest in~~guarantee investmentin sustainable social infrastructure and implement the European Pillar of Social Rights by promoting equal opportunities,

Explanation / Comment

Rural areas need particular attention in the NRPPs, and investment in sustainable social infrastructure should be guaranteed rather than optional. "Green and just transition" aligns with the wording used elsewhere in the text.
