Title:	**AM-54-4 to Res 2.: A budget for a sovereign Europe**
Tabled by:	Miljøpartiet De Grønne

Demands

From line 54 to 57:

- **A binding horizontal spending target of ~~50 %~~at least 50% contributing to climate and environmental protection, including a dedicated biodiversity spending target of at least 10% of the overall EU budget, as well as ~~20 %~~a spending target of at least 20% for social policies. ~~Steps~~The 'do no significant harm' (DNSH) principle and the principle of climate resilience must be ~~taken to~~systematically applied across EU spending programmes. Robust, transparent and science-based criteria must ensure that EU funds do not finance activities that ~~cause significant harm to climate and~~undermine climate, biodiversity or other environmental ~~goals~~objectives.**

Explanation / Comment

Strengthens the existing targets and safeguards, protects biodiversity spending.
