31st Council
10-13 June 2020
Online
by the European Greens

| | |
|---|---|
| **Title:** | **AM-78-1 to Res 3.: Climate Adaptation Against Inequalities** |
| **Tabled by:** | Federation of Young European Greens |

**Demands**

**Insert from line 78 to 79:**

• Accelerated mitigation alongside adaptation. Adaptation must never become an excuse to delay emissions reductions or maintain unsustainable production and consumption patterns. Every fraction of a degree avoided reduces adaptation needs, losses and risks to peace and stability.

**Explanation / Comment**

Highlighting the nned for both, as many government are pivoting to only doing one in a move to water down climate policy ambitions
