31st Council
10-13 June 2020
Online
by the European Greens

Title:	**AM-60-1 to Res 3.: Climate Adaptation Against Inequalities**
Tabled by:	Bündnis90/Die Grünen

Demands

From line 60 to 61:

~~• Universal protection from extreme heat, including cooling spaces, drinking water, shade and heat health plans~~

• A European Heat-Health Action Framework with minimum standards for heat plans: early warning, free drinking water, shade and cooling spaces, with priority for vulnerable groups and essential public services

Explanation / Comment

Turns a general commitment into a concrete European framework with minimum standards for heat plans and clear priority for vulnerable groups and essential public services.
