Title:	**AM-62-2 to Res 3.: Climate Adaptation Against Inequalities**
Tabled by:	Bündnis90/Die Grünen

Demands

From line 62 to 63:

~~• Enforceable~~ **Binding EU heat protection for workers, with enforceable temperature thresholds, rest areas and work suspension, independent of collective agreements, and adapted conditions for ~~workers and~~ children**

Explanation / Comment

Temperature thresholds need consequences: rest areas and work suspension when work is unsafe. Protection must apply to all workers, regardless of whether a collective agreement exists.
