Title:	**AM-3-1 to Res 1. : EUROPE IS NOT FOR SALE – For a sovereign, just and democratic Europe**
Tabled by:	SF - Green Left

Insert from line 2 to 4:

overcome division, protect fundamental rights and build a future of shared prosperity. Today, climate disasters, rising cost of living, a housing crisis, the rise of nationalism and war threaten this promise.

Explanation / Comment

A lot of the rest of the resolution deals with the impact of the far right/nationalism, however it seems to be missing as a consern in the introduction.
