Title: **AM-21-2 to Res 4.: Defending the Right to Protest**

Tabled by: EGP Committee

Insert after line 21:

2. Peaceful acts of civil disobedience (sit-ins, occupations, media stunts, protest camps, and acts of non-cooperation) remain protected under the right to peaceful assembly, even where they breach domestic law. Any sanctions imposed for peaceful acts of civil disobedience must be necessary and proportionate.

Explanation / Comment

Separate peaceful civil disobedience from the paragraph on freedom of expression. Clarify its protection under the right to peaceful assembly, even where it breaches domestic law.
