Draft text

## Insert from line 429 to 430:

support (60% of the median income) in each EU country for people between jobs or who cannot work and guarantee its coverage and take-up.<u>This shall not supercede the</u> <u>collective bargaining model or the social security systems of individual countries within</u> the EU if those are more beneficial to the workers/ individuals.

## **Explanation / Comment**

The goal is if and where individual countries might have better agreements and social security systems that benefits the workers/ individuals even more than the minimum income those should be safeguarded. AM drafted by delegate Gabi Rehbinder.
