Insert from line 219 to 220:

unsustainable industrial animal farming and redirect them to improving housing systems and management practices in the interest of animal welfare.

Trade in exotic pets must be controlled much more forcibly by introducing EU-wide positive lists for species allowed as pets. The problem of puppy and kitten factories and stray dogs and cats has to be addressed at the EU level by new strict regulations for breeding, trade and transport of dogs and cats and policies for neutering and humane control of stray populations.
