CHAPTER I: The Courage to Put Planet and People
First – Our Green and Social Deal for Europe**

Tabled by: Green Party of England and Wales

Draft text

Insert from line 314 to 316:

Europe offers an affordable public transport pass easily used across different modes of public transport. Young people, single-parent families, disabled people and the elderly should benefit from reduced fares.

Explanation / Comment

This amendment was drafted by the Young Greens International Committee, Green Party of England & Wales. It rectifies an omission (not mentioning disabled people in a section about mobility justice).
