From line 213 to 217:

Initiative on ending the cage age, we will take up the citizens' fight so that cage farming is finally banned. ~~We will continue to fight for a maximum of 8-hour (with 4 hours for certain species) or 300-kilometre transport time and distance.~~ We will continue to fight for stricter rules to protect animals during transport, including via a maximum of 8-hour transport time, a ban on transporting unweaned animals and a ban to export live animals to third countries that do not respect EU animals welfare standards. We fully support the European Citizens' Initiative on a fur-free Europe.
