Draft text

From line 335 to 338:

We will make sure that fairer prices show the real cost of polluting transport, taxing air travel and fuel properly

The huge subsidising of aviation, new roads, airports and airport extensions needs to stop. We must properly ~~where efficient climate-friendly alternatives cannot be put in place~~ internalise CO2 emissions and other hidden costs of transport. The implementation of the polluter pays principle has been deeply flawed and must be addressed by EU policies such as taxation, carbon pricing and road tolls.

We will reduce demand for flights, introducing a frequent flyer levy, with exceptions for island regions, and

Explanation / Comment

there is no excuse not tax the most polluting transport.
