Tabled by: GroenLinks

Draft text

From line 9 to 10:

~~Prejudice~~ Prejudice and discrimination, as well as threats to fair democratic processes, continue to hold ~~our~~ our/European societies back. But we can change this. It must ~~change~~ be changed.

Explanation / Comment

We consider the introduction to be insufficient when it comes to the rule of law and democratic processes. We'd like to introduce Mirna's story to enlighten this. Thus, we add a new story about Mirna to enlighten the new sentence, where we added the term fair democratic processes. We use Mirna's story to elaborate on why we changed the sentences.
