Draft text

Insert from line 129 to 130:

We will introduce a Fundamental Values Annual Review to monitor, enforce and sanction the infringement of fundamental values across the EU. This annual review of fundamental values should focus on indicators and measures to combat all forms of discrimination, access to healthcare, sexual and reproductive rights. The conclusion of the annual review of fundamental values should be studied before any payment of European aid or subsidies and, in the most serious cases, could lead to the activation of Article 7.
