

Title:AM-112-1 to S 5.4: Draft 2024 Manifesto - ChapterIII: Courage to Take Responsibility – Building aUnion of Security, Peace and Global Justice

Tabled by:

Bündnis90/Die Grünen

Draft text

From line 111 to 113:

Military interventions must only ever be the last resort. They must be based on long-term political strategies, comply with international law, and have European Parliament approval parliamentary approval and oversight.
